DIVISION MEMORANDUM

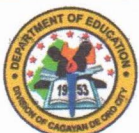

No. 464 s.2023

NEWLY LAUNCHED CURRICULUM PROJECTS UNDER TATAK ROY (RADICAL, ORIGINAL, YOUTHFUL MINDSET) INITIATIVES

TO:

Concerned Public Schools District Supervisors
Concerned Education Program Supervisors
Concerned Public Secondary School Heads
This Division

1. The field is hereby informed about the iCARE (Curriculum Advancement via REsource digitization) program under *Tatak ROY* initiative, which includes five project components that represent our commitment to curriculum innovation, progress, and sustainability in order to better serve our learners and community stakeholders.
2. The iCARE is aligned with the MATATAG agenda, particularly to MAKE the curriculum relevant to produce job-ready, active, and responsible citizens; TAKE steps to accelerate the delivery of basic education services; TAKE good care of learners by promoting learner well-being and inclusiveness learning; and GIVE support to teachers to teach better.
3. The five major iCARE initiatives are as follows:
 - (1) **Reading and Arithmetic Enrichment with Gratuity** which aims to improve the math and reading abilities of individuals, usually children, by offering more tools and support for education in a fun and rewarding way. The project seeks to achieve 100% independent readers in the Division of Cagayan de Oro City by the end of the school year 2023-2024;
 - (2) **Rapid Outcome-based & high Yielding assessment** is a dynamic and efficient assessment system designed to swiftly measure learning outcomes and produce significant educational gains using online and offline platforms;
 - (3) **Robotics Outreach for You** aims to foster an interest in robotics and STEM (Science, Technology, Engineering, and Mathematics) among diverse groups of learners, teachers, school leaders, and community stakeholders. By combining hands-on robotics experiences with outreach activities, this project seeks to empower individuals with the knowledge and skills needed to engage with emerging technologies and prepare for future opportunities in STEM fields;
 - (4) **Rhapsody of Youth** is designed to celebrate and nurture the diverse talents of learners during noon breaks in the classroom. This project is rooted in the

belief that fostering creativity, self-expression, and self-confidence can lead to holistic development and increased enthusiasm for learning; and

(5) Reflective Observation & high Yielding instructional supervision redefine the role of instructional supervisors and transform teaching and learning. It recognizes the need for a more holistic and reflective approach to instructional supervision, one that goes beyond mere observation and evaluation. This project empowers instructional supervisors with effective digital tools, strategies, and a reflective approach to supervision, enabling them to support teachers in their professional growth and contribute to the overall quality of education.

4. The specific mechanics and comprehensive details of the project will be provided in a separate memorandum. For queries, please coordinate with Dr. Jean S. Macasero, OIC-Chief, Curriculum and Teaching Division.

5. In adherence to the Equal Opportunity Principle (EOP), inclusive and fair treatment is accorded to all personnel regardless of age, gender sexual orientation, disability, religion, and ethnicity.

5. Immediate compliance with this Memorandum is desired.

ROY ANGELO E. GAZO
Schools Division Superintendent

CURRICULUM

INITIATIVES

JDP-JSM/DM- newly launched curriculum projects
September 18, 2023

R stands for Radical - refers to a significant and fundamental change from the current or traditional way of doing things. A radical approach to a project typically involves innovative, transformative, and groundbreaking strategies or solutions;

O means Original - refers to something that is unique, innovative, and not based on existing ideas, concepts, or solutions. An original approach to a project means creating or developing something new and distinct from what has been done before.

Y is youthful mindset - refers to certain qualities, attitudes, and approaches. These qualities can contribute to creativity, innovation, and adaptability in project work.
