Guidelines for Collaboration/Partnership with ETCOR Educational Research Center Inc.

About ETCOR Educational Research Center Inc.

ETCOR Educational Research Center, Inc. is a non-stock, non-profit, non-government, humanitarian, social, and professional organization which promotes the culture of research through its various research innovations, initiatives, and advocacies in helping the education sector to provide quality, relevant and accessible education for all. ETCOR stands for "Embracing The Culture Of Research". The name symbolizes the research center's goal to help researchers, educators, and other professionals and industry practitioners to fully embrace the culture of research. ETCOR envisions a community that searches for truth through research and other educational advocacies. By promoting the culture of research to all people, ETCOR aims to contribute to improving the society through academic inquiries and in realizing that people conduct research for the ultimate goal of serving the Almighty through service to others. To realize this, ETCOR provides research capacity-building seminars/trainings/workshops, coaching and mentoring, advising, and all other innovations and initiatives involving the conduct of research in various fields or disciplines. It also conducts conferences and other activities that promote the culture of research and all other educational advocacies. Its core values include (1) Service to the Almighty - ETCOR adheres to the principle that people conduct research for the ultimate goal of serving the Almighty through service to others, (2) Excellence - ETCOR does not tolerate any form of mediocrity. It gives primary importance and value to the best performance of one's duties and responsibilities, and (3) Integrity - ETCOR is grounded on the value that integrity in all actions shall be a parameter of one's character. Without integrity, excellence and other values become inconsistent with each other.

Guidelines for Collaboration/Partnership with ETCOR Educational Research Center Inc.

Schools, universities or organizations who wish to have a collaboration/partnership with an external institution or organization like ETCOR Inc., with the possibility of forging/establishing a MOU/MOA, shall be the ones to initiate the said possibility of a collaboration/partnership by writing a **Letter of Intent** to ETCOR Inc.

Kindly address and send the letter to:

Richard D. Sanchez, LPT, PhD
President
ETCOR Educational Research Center Inc.
Sta. Ana, Pampanga, Philippines
embracingthecultureofresearch@gmail.com,
embracingthecultureofresearch@etcor.org

The letter shall be written and signed by the representative of the school, university or organization who wishes to have a collaboration/partnership with ETCOR Inc. Said representative may be the president, department head, principal, or other representative/s depending on the scope or unit of the intended collaboration or partnership. The representative shall be duly authorized by the school, university or organization to initiate/execute the possibility of the said collaboration or partnership.

In the said letter, the possibility of forging or establishing a collaboration or partnership with ETCOR Inc., entering into a MOU, MOA, shall be stated. The specific areas of collaboration or partnership where the two parties (the party writing the letter and ETCOR Inc.) can help each other shall be stated. The party writing the letter shall specify in what areas or services or projects of ETCOR Inc. it can possibly benefit (research consultancy services of ETCOR, research journal publication, magazine publication, Book Publications, ETCOR Awards, trainings and conferences, partnership for advocacy/charitable activity, human resources collaboration, etc.). As part of the possibility of a mutual agreement, the party writing the letter shall also state in what areas or services it can also help ETCOR. The possibility of the conduct of an initial meeting (either virtually or face-to-face) shall be stated.

If possible, even before the conduct of the initial meeting, if the party already has specific details of the proposed collaboration (specific activities, schedules, persons-in-charge, responsibilities of the parties, etc.), said details shall already be included in the letter of intent. If
